Weight:	Approximately 17 oz. per square yard
Width:	78 inches
Roll Size (Bolt):	30 yards
Breaking Strength:	Warp 125 lbs./inch (557 N/in) Fill 121 lbs./inch (540 N/in) Test method ASTM D 5035
Tear Strength:	Warp 22 lbs./inch (98 N/in) Fill 28 lbs./inch (123 N/in) Test method ASTM D 2261
Flame Resistance:	Meets California Fire Marshall Title 19, paragraphs 1273.2 and 1237b Meets the requirements of NFPA 701

CLEANING INSTRUCTIONS

The following are our recommended cleaning instructions for Eradi-Lite®:

- Rinse off loose dirt/dust with clean water.
- Mix mild soap/detergent with luke-warm water.
- Wash fabric with above mix using a soft cloth – preferably cotton.
- Rinse with clean water.
- **DO NOT** pressure-wash. This can damage the fabric.
- **DO NOT** use harsh chemicals. This could damage the protective acrylic top coat.
